FILTER

Removes up to 0.01 Micron

Effectively eliminates every contaminant, ensuring clean, delicious water in every pour

Stage 1 Premium Sediment Filter

Effectively reduces dust, sand, rust, and other visible particles, helping protect the filtration system and providing cleaner water for the next stage.

Stage 2 Premium Pre-Carbon Filter

Helps reduce chlorine, unpleasant tastes and odors, cloudiness, colors, VOCs, and other unwanted chemicals, improving the overall taste, smell, and clarity of the water.

Stage 3 UF Membrane Filter

Uses advanced ultrafiltration technology to intercept impurities as small as 0.01 microns, helping remove fine particles and providing an additional level of water filtration.

Stage 4 Premium Post-Carbon Block Filter

Helps reduce residual tastes, odors, and remaining impurities after filtration, delivering cleaner, fresher, and better-tasting water for everyday use.

SGS

FEATURES

FEATURES

MULTI TEMPERATURE

Hot, warm, and cold water options for convenient drinks and refreshing hydration anytime.

Smart Features for Everyday Convenience

Thoughtfully designed with intuitive controls and convenient features, making every sip easier, safer, and more enjoyable throughout your day.

Dial Temperature Control

One Knob, Two Temperatures

Continuous Water Flow

Easily operated with one hand

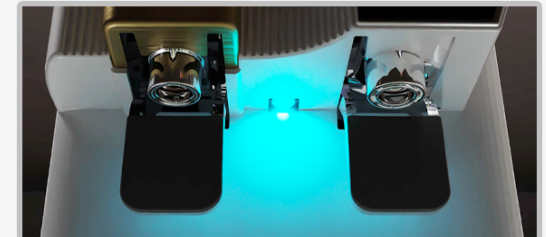

Multi Color LED Clock

Set time & color according to your likings

Child Safety Lock

Prevent hot water from spilling by accident

LED Night Light

Adjustable night light intensity during night hour

Removable Drip Tray

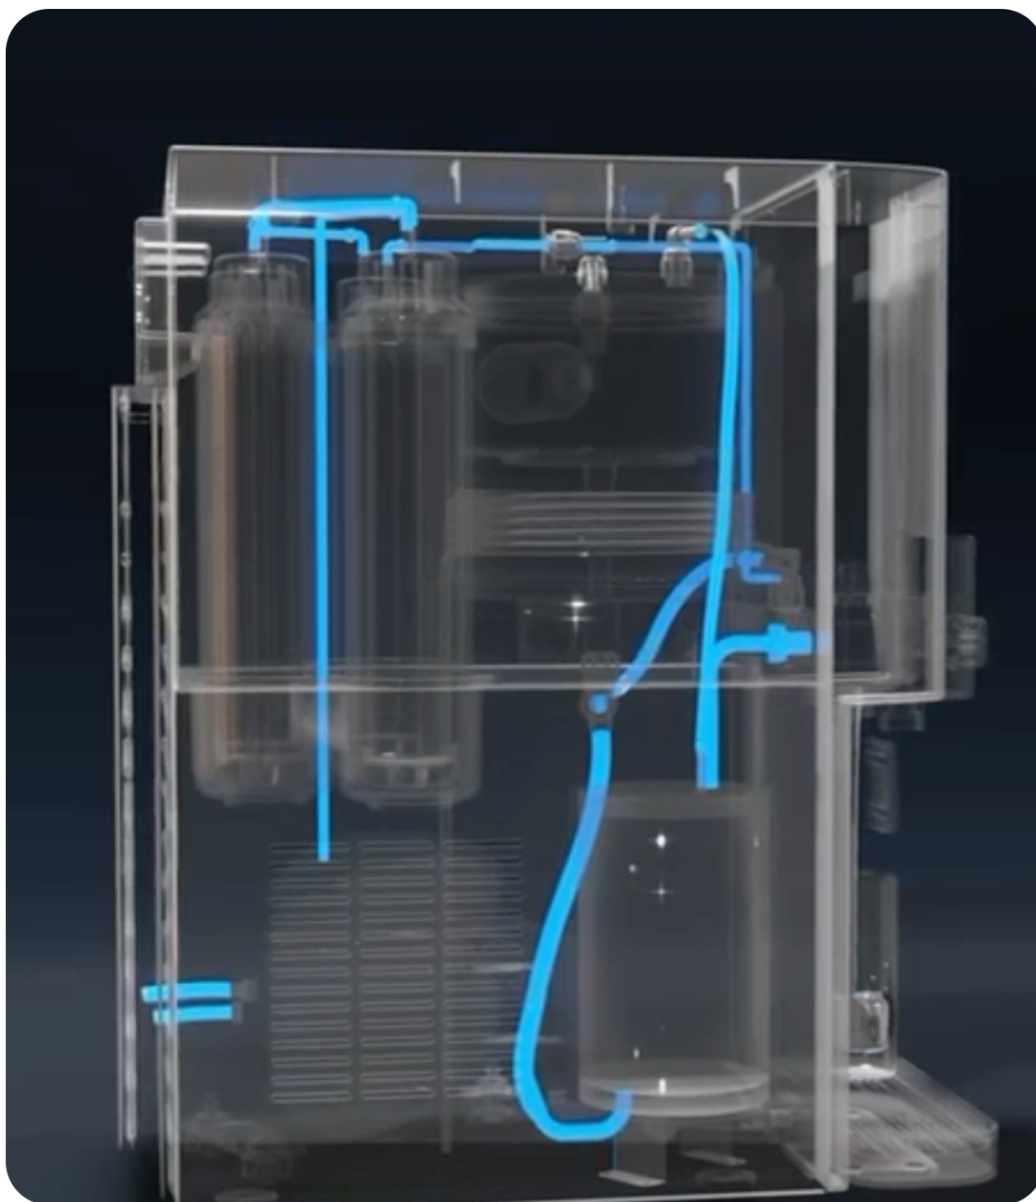

Catch water spills and easily take out for cleaning

Multi-Color Customization

A Stylish Look for Every Occasion

Choose from a range of stylish exterior colors to match your personal taste and complement any home, office, or kitchen décor. Designed to blend seamlessly into your space while adding a modern touch.

Inner filter storage

Improved Efficiency & User Experience

Built-in filter storage keeps everything organized, while quiet operation and rapid cooling provide a smoother, more convenient experience.

Inner filter storage

Ultra-Fine Filter

Product Specifications

Model	Hydrixx Lumi Touch		
Dimension	W: 290mm x D:585mm x H:570mm		
Filtration Type	4-Stage Filtration		
Filter Type	PP Sediment Pre Carbon UF Membrane Post Carbon		
Water Temperature	Cold	5-10°C	
	Warm	85-95°C	
Water Volume	Cold	2.2L	
	Warm	1.5L	
Cooling Method	Compressor Cooling		
Power	Cold	100w	
	Hot	470w
